Yearbook Committee 2007

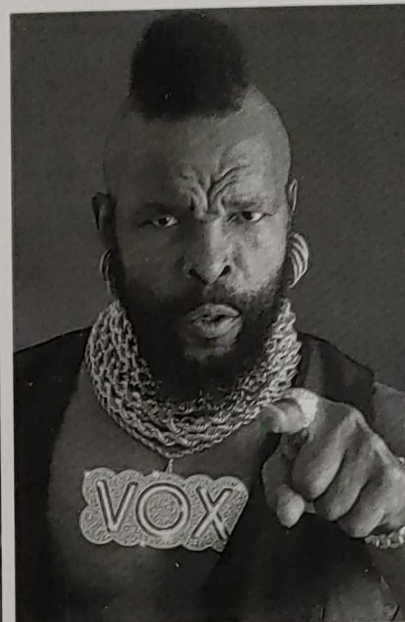

Sydney Taylor
"Who's Chuck Norris?"

*"We're aiming for a
yearbook revival."*

Mahala Berdux
"Katamari!"

Mr. T
"It takes a smart guy to play
dumb"

Ms. Hannila
"I swear my desk was cleaner than
this at Lively!"

Remembering is hard work.
You take the pictures,
then what?
This yearbook is for all of you
who want to remember, but don't
know how..
sort of like an idiot's guide to
remembering high school.
Guard it with your life. When
you're old and gray, and
high school is barely a memory,
take a look.
It was a pretty good year, worth
remembering.
Right?

Tabitha Walli
"I'm clumsy, and should not be
trusted with computers"

Kassandra Henry
"I'm technically *not* on the
yearbook committee..."

Alex Koski
"Am I Pretty?"

Michelle Parsons
"Alright, alright...
I'll work on the yearbook!"

A Word From Our Principals

From Mr Camillo:

In just a few short months I have had the opportunity to observe just what makes Sudbury Secondary School so different from other high schools - "the people". Sudbury Secondary has a unique and diverse student body that is complimented by a dedicated and caring staff! The diversity that is Sudbury Secondary can be seen through the variety of events and programs available at our school. From the Sears Drama Festival to Guitars Alive to the various bands, dance and visual arts exhibits our students and staff make Learning Through The Arts a reality!

Our school also offers so many other programs, courses and co-curricular activities. I would like to thank all those students, staff and volunteers who gave so much of their time to ensure these activities are successful. A particular thank you to our coaches, SAT team and Yvon for organizing our SDA Activities.

To our graduates, I wish you all the best. As you move into the next phase of your lives; take some time to thank all those at Sudbury Secondary who have supported you along the way.

Good luck and always remember to "Do Your Best!" I would like to welcome you back to celebrate the 100th anniversary of Sudbury Secondary School next summer.

A special thanks should also go out to Ms. Hannila and the yearbook staff. Your efforts have produced a first rate product.

In closing, I would like to thank all the students and staff for welcoming me to the North Star family. I look forward to working with all of you next year.

Sudbury Secondary School was fortunate enough to have had two Principals, Mr Paul Camillo and Ms Leslie Mantle.

This page contains the thoughts of each of these fine educators who bring so much to our school.

From Ms. Mantle:

My message to you is to expect the best from yourself and you will not be disappointed. Never let fears or fear of failure rule your lives. We are all afraid at times and we all fail at times. That is precisely why we face our fears and keep on trying.

Expect the best of yourselves and keep your expectations high. When you do this, you will find that the world is an exciting, challenging and rewarding place. It is as big, as exciting, and as rewarding as you wish it to be. Your challenge will be to rise up and meet it head on. Do that and you will not be disappointed. Always remember that you can make a difference. So go out there and make the world a better place!

It has been a pleasure working with all of you during my years at Sudbury Secondary School. The red, white, and blue will live in me forever and I will always have a smile when I look up into the night sky and see the North Star shining brightly.

I will miss all of you very much.

GOODBYE.

Messages from the Vice Principals

I want to congratulate our yearbook committee for this keepsake of 2006-2007. It is through dedication and hard work that a yearbook is produced and I want to thank Ms. Hannila for her expertise and patience.

I am proud to be a Northstar. SSS has an outstanding staff and a dynamic and diverse student group. The tradition of excellence continues through your efforts.

Best wishes to our graduates. Embrace your future, but remember your past.

Sincerely,
Mrs Albanese

After leaving Sudbury Secondary School, as a teacher, in June of 2000, I dreamed of returning one day. When I was transferred to SSS, as vice principal, for September of 2006, I was excited about returning and working with the tremendous staff and exceptional students at the school.

From September to March, I was continually impressed with the commitment of the students and staff to all of the activities that help make Sudbury Secondary the special place that it continues to be. Now that I am a principal, I again look forward to the opportunity of returning, and regaining my status as a North Star.

I wish all students leaving Sudbury Secondary School the best of luck in all their future endeavours. To all of you returning next year, I want you to commit to doing what it takes to realize your dreams and aspirations.

It is your attitude, not your aptitude that will determine your altitude.

Sincerely,
Mr Punkari

It has been 9 years since I walked through the doors of Sudbury Secondary School. I began my career teaching history on the third floor of the A wing, where I worked alongside the French and Math Departments.

Soon, I would join the Physical Education Department for one semester before heading up to the third floor of the B-wing.

I would stay in room B316 for the next 7 and a half years as a teacher and program leader prior to becoming the vice principal on April 2, 2007.

As I reflect on my time at SSS I recognize this is truly a remarkable school, a staff that truly cares about students, students who bring an accepting culture to all, and an administration that supports a vibrant school community.

I will miss Sudbury Secondary, the students and colleagues who have taught me so much.

Sincerely,
Ms M. McNamara

The Adventures of

Mrs. Rona Knight

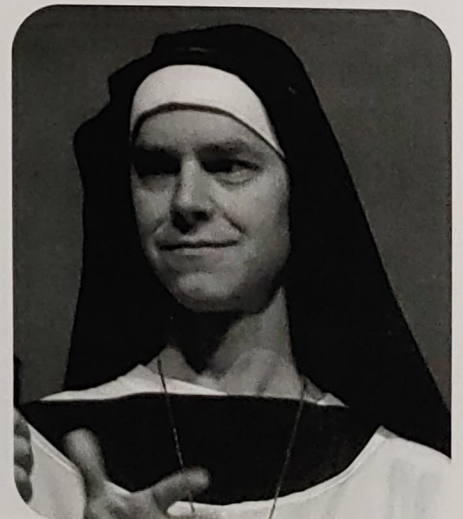

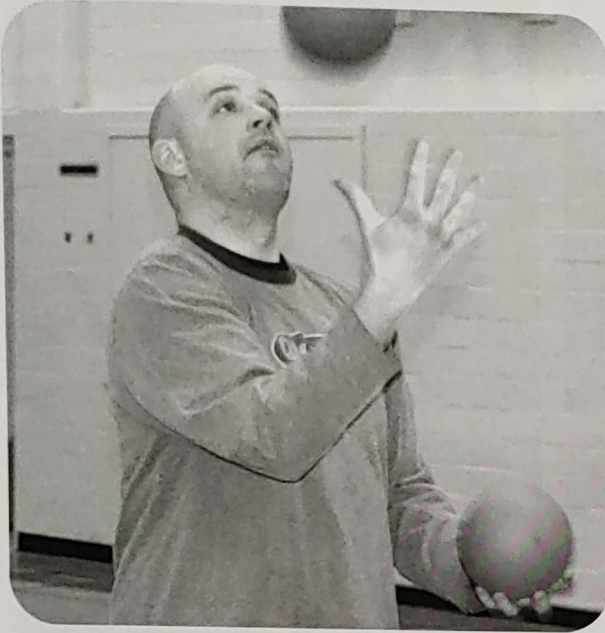

Mrs. Knight

Here's to Mrs. Rona Knight and her 30-odd years of teaching!
She's had a good run here at Sudbury Secondary, teaching Physical Education
(i.e. Gym) as well as heading the Co-operative Education program.
Her contribution to the staff at this school has been fantastic,
and she is a wonderful human being, loved by all.
Happy Retirement!
